

“Helping out the community while helping out my clients is my pleasure.”

Bio

Employed as a banking advisor at Pixel River Financial for the past 7 years based out of St. Francois Xavier location. She helps out with two other branches when she can, one at Portage la Prairie and the other in Warren, MB. Constantly busy with clients and helping to train new representatives to the business.

Influences

- Business leaders and community leaders
- Family
- Current trends on social media

Frustrations

- Older systems still being used and learning curve of new technology is long and confusing.
- Processing inefficiencies

Technology Proficiency

- Moderate User
- Preferred choice: Laptop

Goals

- Looking to move up in her career to a senior position or management.
- Looking to help develop a steady program to show new to role reps the current processes and goals though challenged due to lack of upgrades.
- Helping to promote Pixel River Financial at community events.
